

# Why Move Redmond?

For over 30 years, Move Redmond has worked to make it easier to reach our member organizations from across the region. With light rail arriving, the construction of the Eastrail regional bike connection, and expanded teleworking, the biggest transportation changes in Redmond's history are happening in the next two years. To retain and recruit the best employees, now is the time to adapt our commute programs to the moment.

## Let's schedule a conversation!

Every one of our members' needs are unique! We would like to talk with you about your needs and goals, and how we can help meet them.

Reach out to [kellir@moveredmond.org](mailto:kellir@moveredmond.org) or [michaell@moveredmond.org](mailto:michaell@moveredmond.org) to start the conversation!

Move Redmond @MoveRedmond @moveredmond

8525 163rd Ct NE | Suite 150 | Redmond, WA 98052 | 425.702.8001 | [www.moveredmond.org](http://www.moveredmond.org)

# Our Services

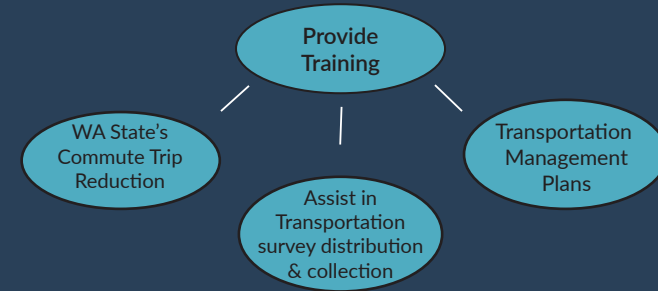

In 2019, our Board of Directors set a new direction for our organization to meet the needs of our members: To Advocate, Convene, & Provide Consulting Services for our Members

## Membership Dues Structure

Tiers	# of Employees	Annual Dues
1	1 - 29	\$1,500
2	30 - 199	\$3,000
3	200 - 499	\$6,000
4	500 - 999	\$10,500
5	1,000- 20,000	\$18,500

## Support your Employee Transportation Coordinator

## Consulting Services

Provide printed materials promoting biking, walking, telework, & carpooling to work

1 employee transportation event provided at Member's worksite & assist with any additional transportation events held by Member

Advice in development & implementation of transportation programs & services

Connect Members to grant opportunities that provide incentives, transit passes, or physical improvements for Member's commuters to walk, bike, carpool, telework, or take transit

## Advocate

Advocate for funding to improve transit, walking, & biking in and around Redmond, making it easier for employees to get to work

Connect members with decision makers, elected officials & agency partners through action alerts that are user friendly

Highlight Member success through press releases & award nominations, setting an example for other businesses

Inform Members of transportation policy changes that impact them through educational events like our Complete Streets Series, Bike Policy Rides, and Walk & Talks

## Convene

Host meetings & workshops for Employee Transportation Coordinators to network & strategize

Educate Employee Transportation Coordinators on the latest state requirements

Lead on-site events at member organizations to provide resources for employees, including tabling, walk & talks, & more

Organize an Open Streets Festival where all members have the opportunity to connect with the public

## Additional services for members with 500+ employees

### Develop Long Term Strategy

1. Investments & policies to meet commute program goals.
2. Facilitate conversations with transportation decision makers & invite participation in our policy priorities & advocacy efforts.

### Immediate access to in-house expertise & broad network

1. Data analysis, commuter surveying & data collection.
2. Provide best practices in Transportation Demand Management
